Texas Repeater System  
P.O. Box 802894  
Dallas, TX 75380

Dear Chris,

I am writing to express appreciation on behalf of The Salvation Army for the support and assistance of the Texas Repeater System.

In 2005 your organization provided assistance with communications and support for the hurricane relief efforts. Your willingness to dedicate two Amateur Radio repeaters in Dallas full time for several days for the relief efforts made it possible for Salvation Army personnel, as well as teams from other agencies & organizations, to communicate.

In addition, we appreciate the hosting of the S.A.T.E.R.N. (Salvation Army Team Emergency Radio Network) training net and net control each week for the state of Texas.

In the future, if the Salvation Army ever needs the use of any of our repeaters, links or any of our, feel free. We certainly want to support the Salvation Army in any way we can.

We are grateful to know that the communication capabilities and assets of the Texas Repeater System provide a public service in support of The Salvation Army and other public service organizations.

Please pass along our gratitude to your colleagues.

Blessings & 73s!

Michael Wm. Patterson, KG4PDA  
Territorial S.A.T.E.R.N. Coordinator  
USA Southern Territory
